

Statement of Mollie Jurewicz

I, Mollie Jurewicz, [REDACTED], of [REDACTED] Street in [REDACTED], make the following voluntary statement. My mobile phone number is [REDACTED].

I am Casey Colella's cousin. I have known Casey my whole life. I have known Casey's husband, Mark Colella, for approximately three years from the time he and Casey started dating. I am not close with Mark, but I am very close with Casey. Until recently, I thought of Casey as one of my sisters.

I started to see signs of abuse on Casey approximately 6-10 months after Casey and Mark eloped and got married. I saw bruises on the back of Casey's arms, neck, and on her torso.

I then spoke with Casey with regard to her bruises and my concern that she was being abused. Casey informed me that she did not want to talk about it at the time. Casey did not deny that Mark was hitting/abusing her and I feel as if she admitted to me that she was being abused by saying that she did not want to speak about it.

Page 2 of 2

I saw the bruises on Casey when we went away to a beach house in Marshfield, MA. Louis and Alice DeLuc^t, Casey's grandparents, rent the beach house. We would go to the beach and I would see the bruises on Casey's body when she was wearing her bathing suit. Throughout the past couple of years, I saw Casey at least once every 2-3 months and she would have bruises on her.

I believe that Alice and Louis DeLuc^t have known about the abuse from the time it began. I believe that Casey spoke with Alice DeLuc^t, Louis DeLuc^t, and her mother during this time period about the abuse.

Also during this time, Casey finally admitted to me on the telephone and in person that she was being abused. Because of this relationship, I have not spoken with Casey much over the past four months.

I have read the above statement. It is true and accurate. I have given this statement of my own free will, without fear, threat or promise of reward. I have also been given a copy of this statement.
